# THE AIM OF THE PROJECT

The aim of our Project is to help our students to identify themselves via art and to improve their language abilities in the world with the other cultures. And also to criticize their countries' political and social structures via art.

# THE PROCESS OF OUR PROJECT

In order to build our Project;we firstly started to make meetings in E-twinning and found partners there .

We talked about the Project name and organized the undetailed borders and criterias since 2011.

**In January ,2013 ,we applied for the Project to National Agency .Before filling the application form each country has clarified its work of art and made a clear explanation**

**In July,2013 our Project was approved by the National Agency formally.In that period the teachers who are responsible for the Project attended several meetings to get more information about payments and organization.**

# Our Project 2013 - 2014

At the beginning of the term ,a group of teachers was assigned as European Project club in our school in September.and also some students have been chosen from several classes for the club to organize the process of the Project.

Also our Art teacher Inci Yilmaz SIMSEK has founded an activity group for the students who want to take part in the Project after school ours.

The students who has participated the European Club and exercise class were going to prepare the materials for the mobilities and this process will help them to improve their language abilities and be open minded in art and also they are going to improve their manual labours.

These students are also responsible for the development of the Project and its basements.They should organize the CRITIC ARTS board to organize and renew it.

# ***WHAT'S GOING ON IN THE PROJECT?***

- 1 . We have attended the teachers meeting in Vien ,the capital city of Austria, with two teachers between the dates of 11 th November – 15 th November.**
- 2. The second part of the Project is welcoming our guests in our country in 31th March – 4th April from Austria and Romania.In that meeting our students will make workshop with their foreign friends and they will demonstrate their work of art.**
- 3.Our next mobility will be done to Italy,Bologna with two teachers and the school master with 6 students in May,2014**

**4. The second mobility will be to Greece, Athens again with 6 students and two teachers in November, 2014.**
